Activities & Accolades

7/23/2009 — Can Bayram a Winner of 2009 IEEE Photonics Society Graduate Student Fellowship

Professor Manijeh Razeghi and the Center for Quantum Devices group congratulate Can Bayram on his recent selection as one of the winners of the 2009 IEEE Photonics Society Graduate Student Fellowship. The Membership Committee was very impressed with your accomplishments and academic record, and we hope this Fellowship Award will help you pursue your career goals in the field of lasers and electro-optics.

The Fellowship consists of a one-time honorarium of \$5,000 and a travel grant to allow travel to the Photonics Society 2009 Annual Meeting to be held this year in Belek-Antalya, Turkey, in October.

7/3/2009 — Grayson invited to review quasiparticles

Matthew Grayson was invited by the American Physical Society magazine "Physics" to write a Viewpoint review article on quantum Hall edges and fractionally charged quasiparticles, entitled "Quasiparticle Doppelgangers," published this Monday, June 29. The article: <http://physics.aps.org/articles/v2/56>

6/22/2009 — Fortnow elected SIGACT Chair

Lance Fortnow has been elected Chair of SIGACT for a term beginning July 1, 2009 and ending in three years, June 30, 2012.

6/17/2009 — Kuzmanovic invited to speak at Microsoft Research

Aleksandar Kuzmanovic gave an invited talk entitled "ISP-Enabled Behavioral Ad Targeting without User Consent Made Legal," at Microsoft Research in Redmond recently.

6/16/2009 — Razeghi and CQD team publish results in Applied Physics Letters

Recent results from the Center for Quantum Devices have been published, "Demonstration of midinfrared
